

Kia ora & Welcome to New Zealand.

Driving in New Zealand is a great way to experience our country but driving in NZ is different from driving in other countries. We drive on the left, we have very changeable weather, our terrain can be rough, much of it is unsealed and our sometimes winding, narrow roads require drivers to be very vigilant.

At Escape and Hugo, we want you to be safe. The first part of that is ensuring you are appropriately informed and prepared before commencing your hire with us. So please complete the declaration below and return to our Customer Service Representative. Please take your time and ensure your responses are accurate and honest - This is all about your safety and the safety of other road users.

Thank you.
